

ONE LINK FOR EVERY CODE YOUR AUDIENCE ASKS FOR

Make your discount codes easier to find - and easier to use.

Promizi Creator gives you a **dedicated page for the codes you already share** - one link to keep offers current and one clear place for followers to find them.

A strong fit if you already...

- ✓ Share **5+ active discount, promo, or creator codes**.
- ✓ Regularly recommend products, brands, or shopping finds.
- ✓ Create on **Instagram, TikTok, YouTube, or Shorts**.
- ✓ Already surface offers through Linktree, Beacons, LTK, ShopMy, Amazon, Stories, bios, or descriptions.

Great-fit niches: beauty, skincare, makeup, fashion, lifestyle, fitness, wellness, food, home, parenting, pets, gaming, tech, travel, and shopping.

What Promizi gives you

- 1 One permanent destination**
Update your codes without changing the link you share.
- 2 A cleaner follower experience**
Give followers one clear place to find current offers instead of hunting through old content.
- 3 Useful engagement signals**
See **page views, code copies, and store visits** to understand what gets attention.
- 4 Your existing commissions stay yours**
Promizi does not take a cut of the affiliate commissions paid through your existing brand or affiliate partnerships.

Try it with the codes you already have

Add your **real existing codes**. If the page fits your workflow, share it wherever your audience naturally looks for your offers.

STEP 1**Create your page**

Use your real codes

Strong audience engagement can lead to a paid partnership.

If your audience engages strongly with your Promizi page, we'd be happy to discuss a **separate paid partnership** for Stories, Reels/TikToks, YouTube content, UGC, or a longer-term collaboration. Deliverables and rates are agreed separately.
